PROSECCO SPRITZ

i'm bitter-sweet indeed

A modern impression on the famous Italian 'Aperitivo'. Sparkling Prosecco infused with aromatic blood orange and bitter herbs, lifted with a light spritz. Naturally derived flavours of Italian orange with a bitter-sweet citrus twist, complete with fine bubbles.

enjoy me with

Pour over ice and enjoy with a slice of orange for an exotic experience. Enjoy with fresh fruit or homemade vanilla and lemon cannoli.

{BEVI} Italian Translation 'Drink Up'
"It's just an Italian thing"

i'm all about Prosecco

Locally grown Prosecco grapes are harvested in the cool of the night for ultimate freshness. The fruit is crushed, gently pressed and partially fermented to retain natural sugars. Blended with naturally derived, authentic flavours to produce one exotic 'spritz'. If you love Prosecco, you are going to enjoy sipping on this new release.
