

COOL CLIMATE - SERIES -

EDEN VALLEY RIESLING

Vineyard & Region	Fruit sourced from the highly acclaimed Eden Valley.
Colour	Pale straw with vibrant green hues.
Bouquet	Punchy spice, pepper and cloves, entwined with lime blossoms.
Palate	A pure expression of Riesling and Eden Valley - the wine parades fruit, preserved lemons and Bickfords lime cordial, framed by the spiciness of bayleaf cloves & peppercorn.
Finish	This wine is tight, refined and pure, just as Eden Valley Riesling should be!

Winemakers Comment :: The Riesling is made with the gentlest of handling preserving the delicate fruit flavours. Harvested in the cool of the night, the fruit is gently destemmed, crushed and pressed in an air bag press. The juice is cold settled and using only the clear juice is fermented slowly at cool temperatures until dry. The wine is then carefully stabilised and filtered before bottling, ensuring that all the fruit flavours are captured.

Serving suggestion :: This crisp Riesling will go well with fresh natural oysters and grilled white fish.

Maturation :: A fresh wine best consumed within two years.

Alcohol Volume :: 12%

Vintage :: 2017

Characteristics :: Medium Bodied

Winemaker :: Jeremy Nascimben
